Church Day at Home
New Date

Sunday 8th October 2017

Key Rota

If you live in the village and are able to commit to two separate weeks in a six month period to open and close the church, please contact the office. The more people on the rota, the less time everyone needs to do, maybe we could even get it down to one week in six months each! Please prayerfully consider if this is for you– perhaps talk to someone already on the rota to find out what's involved. Thank you!

St Ives Food Bank

All donations of non-perishable food is appreciated. You can drop off goods at the Parish Centre, thank you!

Pray

Never stop praying. Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus. 1 Thessalonians 5; 17-18

Pray for our world: For Christian mission organisations working in Islamic led countries - for safety, courage, love and protection

Pray for our country: For those suffering after Grenfell Tower fire and the terror attacks in Manchester and London - may those affected know God's love in their suffering.

Pray for our church: That God will bring us to the person of his choice to lead our Children's and Youth ministry.

More to pray for:

Our world, giving thanks that the world is in the Lord's hands, he is in control and we can trust him despite all that happens around us, pray especially for:

- The leaders of the nations and others leading rebel movements, that they will submit to God and change the way they act and think
- All suffering as a result of violence, exploitation, natural disaster, famine and displacement, for the hundreds killed in China in a landslide, in Pakistan through a fuel tanker exploding and in Yemen from cholera
- Our mission partners seeking to bring the gospel and hope into people's lives through their lives and work

Our country, giving thanks for the work of all who are government servants, in the judiciary, emergency services, health or education, and praying for them and:

- All being made homeless through the Grenfell Tower fire and its consequences, and all injured or grieving those who died
- Insight and wisdom for the security services and vigilance by all to prevent terror attacks
- Queen Elizabeth and her family, especially for the health of Prince Philip, and for each of the family to meet God and live as Christians
- The Prime Minister, cabinet and parliament, that they will be equipped by God for their work and be wise, especially as they deal with Brexit
- All in the media to be truthful and fair as they interact with our leaders and others, and that the culture of sensationalism and blame will end

Our church, giving thanks and praying for those God has put in authority in our church, the diocese and nation, and praying especially for:

- All involved in children's and youth work as they continue their work until a new leader is appointed
- The work to be done in the Parish Centre to be prepared and go ahead smoothly and in the right time frame

Two questions to ask your-self of each Sunday morning's service as we worship and hear God's Word read and proclaimed: **What is God saying to me today?**
What do you think was the main point of the sermon today?
