## Keswick Youth

Keswick Ministries has a wonderful team of children and youth workers, who come to Keswick every summer to run the Convention's children's and youth programme.

Both the children's and youth programmes have been designed to work in parallel with the adult programme at the Convention.

**Keswick Youth** is a chance to get stuck into God's Word – to find out more about what it means to live for Him. Through teaching, seminars, small group study, singing (plus some little extras!) God's word is taught and its relevance to all our lives is explained.

## Week 3: 27th July - 2nd August

Every summer the town of Keswick hosts a three-week Convention, which attracts some 15,000 Christians from the UK and around the world. The event provides Bible teaching for all ages, vibrant worship, a sense of unity across generations and denominations, and an inspirational call to serve Christ in the world. It caters for children of all ages and has a strong youth and young adult programme. And it all takes place in the beautiful Lake District - a perfect setting for rest, recreation and refreshment.

St James' youth will be attending week 3 of the convention, 27th July - 2nd August, led by Ben Pearson, St James's Youth Minister.
